The speedy lease plan for Auto-Cleaning Accessory
for Daikin Ducted Units

BAE20A62 / BAE20A82 / BAE20A102

Now your customers can adopt added value technologies without increasing capital budgets. The Auto-Cleaning Accessory for Daikin Ducted Units is available via a speedy lease plan, so now it's easier to finance energy saving solutions.

Delivering energy saving of around 20% per annum throughout the system life*, the Auto-Cleaning Accessory for Daikin Ducted Units saves on the cost of filter cleaning, while enhancing room cleanliness, delivering a typical return on investment within 2-3 years.

It's a great way to add value to a project, while setting your offer apart from the competition.

*Based on hotel test on VRV system vs manual cleaning every quarter

The Auto-Cleaning Accessory for Ducted Units

The Auto-Cleaning Accessory for Ducted Units avoids clogged units due to excessive dust formation, especially in difficult to access areas. This results in a much smoother system operation, guaranteeing lower maintenance and running costs. By keeping the filter always clean, optimum efficiency is ensured over the lifetime of the system, avoiding sudden failures that could result in unexpected maintenance and business costs.

Stress-free leasing options available

The Auto-Cleaning Accessory for Ducted Units is available via an innovative range of flexible financing options from Daikin UK and Shire Leasing. These stress-free leasing options eliminate large upfront payments. This means you can manage your cash flow more effectively and your customer can spread their costs treating them as 'operating cost'. This will then reduce any demand on already stretched capital budgets. It's easy and stress-free to arrange – see overleaf.

How does it work?

- › Filter cleaning takes place automatically each week at the time programmed via the remote controller or ITM
- › The dust is collected in the dust box integrated within the unit
- › The dust can be removed easily via a vacuum cleaner through the flexible suction port as part of a regular cleaning regime

Why offer finance to your customers?

- › Flexible promotional tool for use with your customers
- › Reliable payment on completion of project
- › Straight forward step-by-step application process
- › Less likely to be value engineered as not capital expenditure

How to successfully offer Daikin Finance

To register for an account, complete the registration form
www.daikin.co.uk/shireleasing

Once your account is approved, you can apply for finance for your customer.

If approved, you'll get the documentation sent to your customer.

Shire Leasing will then send a purchase order for the equipment and installation.

Then, simply **order the equipment** directly from Daikin.

Once the installation is complete and your customer has signed-off the installation and documentation...

Send Shire Leasing the invoice for Daikin's equipment.

You will receive payment as early as 24 hours...

Resulting in **no strain** on your cashflow!
