

Certificate

Indoor Air Comfort

Ecophon Hygiene

Certified Product

Saint-Gobain Ecophon AB

Yttervägen, 265 03 Hyllinge, Sweden

Applicant

The above product complies with the Indoor Air Comfort specifications, version 9.0 (2023). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals.

Indoor Air Comfort combines all mandatory European regulations on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances are not combined or evaluated.

The following VOC regulations are combined and the certified product shows compliance with these VOC emission related limit values:

Belgium regulation
France VOC class A
Germany (AgBB/ABG)
Italian CAM Edilizia
EU Taxonomy Regulation

Issue date: 29 January 2024

Validity date: 29 January 2029

Product type: Suspended (Acoustic) Ceilings

Certificate number: IAC-400-11-18-2024

This certificate is valid as specified if regular surveillance and testing is done.
