

Certificate

Indoor Air Comfort Gold

Clipso Technical Fabrics – Ceilings & Walls

Certified Product

Clipso Production S.A.S.

Applicant

The above product complies with the Indoor Air Comfort Gold specifications, version 8.0 (2022). These include both inspection of factory production and VOC emissions testing according to EN 16516, at regular intervals. Indoor Air Comfort Gold combines all key European and selected global requirements on VOC product emissions. Additional requirements not related to VOC product emissions, for example content of certain substances or odour are not combined or evaluated. The following VOC emission requirements are combined and the certified product shows compliance with these VOC emission related limit values:

- France VOC class A+
- Germany (AgBB/ABG)
- Italian CAM Edilizia
- EU Taxonomy Regulation
- LEED (ACP)
- BREEAM New Construction
- WELL Building
- SKA Rating
- French HQE certification
- M1
- Danish Indoor Climate Label (Emission Class 1)
- BVB (Sweden)
- Miljöbyggnad (Sweden)
- Nordic Swan
- Eco Product Norway
- Cradle to Cradle
- very low emitting products according to EN 16798-1
- Singapore Green Label
- Global GreenTag

Issue date: 07 October 2022

Product type: Textile Wall Covering

Validity date: 07 October 2027

Certificate number: IACG-400-19-01-2022

This certificate is valid as specified if regular surveillance and testing is done.

Thomas Neuhaus, Head of Certification Body
