The Linea CFX® range comes in six different designs to suit either contemporary or classic interiors. Linea CFX® has a separate back frame and our patented four point face plate clipping system, allowing the option of matching or contrasting elements.

Concealed fixings to give screwless aesthetic

Stunning front plate finishes and frame and insert finishes gives a huge choice of combinations

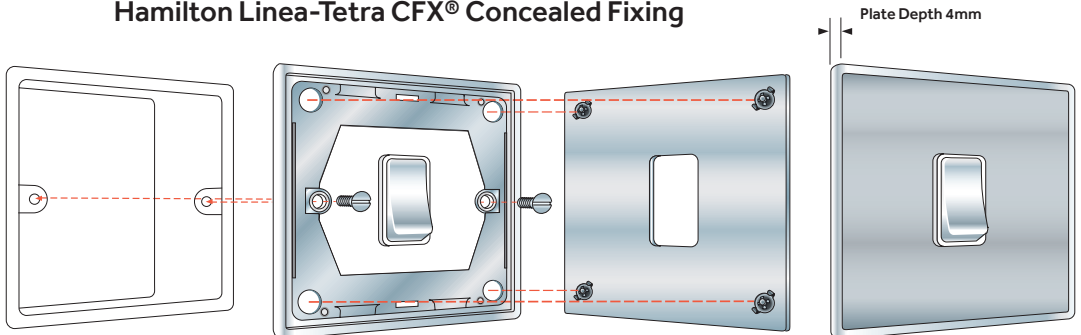

White, Black and Quartz Grey inserts available

Two-part frame and plate for 'mix and match'

Grid Fix and Eurofix options also available (see separate GRID-IT and EuroFix sections)
